

UTSC Undergraduate Research & Creative Prize

Please include the following information with your submission regarding your engagement in the research/creative process.

- What research strategy/creative process did you use in your project?
- What types of sources/databases/course guides/software was used?
- How did you decide to use those resources?
- Add dates and names of any library research workshop that you attended.
- Did you set up any consultation(s) with a librarian and if yes, with who? How was this helpful to you and what did you learn from this/these consultations?
